Understanding the Concept of a Blaze Best Seller

Definition and Characteristics

A blaze best seller generally refers to a product that skyrockets in sales, often surpassing initial expectations and dominating sales charts across various platforms. - Market Disruption: Challenging or surpassing existing best-sellers.
- Media and Viral Amplification: Gaining momentum through social media, reviews, or word-of-mouth.

Distinguishing from Other Best Sellers

While all blaze best sellers are best sellers, not all best sellers qualify as "blaze" due to the speed and intensity of their rise.
